Parents Newsletter

May, 2017

Dear Parents,

It is hard to believe that there are only a few more weeks of school and so many activities still to come. Please watch your child's bulletin board for detailed information about our Mother's Day Programs and the last week of school. Parents, and or family members are encouraged to come to our programs. We recommend every student having someone attend.

The last day of school activities are held in the classroom and are just for the teacher and their students only.

Fall Enrollment - For those planning on re-enrolling your child for the fall, or enrolling siblings, classes are filling up quickly! We welcome anyone who would like to come observe our programs. For the consideration of our teachers, just let us know a few days in advance.

Referral Program – We hope all of you have seen the blue referral cards that were sent out in your child's folder. We want to make sure you get tuition credit for any friends that bring your referral card when they enroll.

We are thankful for all the Box Tops and Campbell Soup Labels that have been turned in. We encourage all our families to keep collecting. You may send box tops and labels in a baggie and place in your child's folder. These help us with providing new items for our classrooms.

Notice : **For the Month of May – We request that all *Extended Care be paid weekly* for the month. Half-day students May tuition was paid with enrollment, only late enrollers may need to pay last month's tuition. All Extended Care and May tuition must be paid by May 12th.**

Ending the Year with Enrichments –

- Music with Dr. Holly will conclude the week of May 12th.
- Stretch-N-Grow will conclude the week of May 12th.
- Computer class will conclude the week of May 12th.
