**Orientation – Parents Only** – This evening is especially important for new Schoolhouse families. Not only will you have the opportunity to meet your child's teacher – as a group, she will also go over the class schedule, daily routines, skills/curriculum, and necessary items needed for school. You will be able to pick uniforms and pay your first months tuition at this time as well.

**Extended Care** – We will explain how extended care works for those half day students that want to “stay and play” for the afternoon. This is still a structured program filled with fun activities for additional \$10 a day from 11:30–3:30 or \$15 a day from 11:30-5:30. Parents that have children that stay for extended care may also sign up for additional enrichment programs. This would be for those attending half day classes – All Day students are automatically enrolled in all enrichment classes. **Please note - Lunch is at 11:30 a.m. If you are dropping off a lunch, please have it delivered to the front desk no later than 11:15.**

**Enrichment Options** – these are set by semester and at an additional cost –

- Mondays or Fridays – Music
- Tuesdays or Thursdays – Stretch N Grow
- Wednesday – Computer

**STRETCH N GROW \* MUSIC \* COMPUTER**

These enrichment classes are at an additional cost for part time students. There are no credits for missed classes.

**Stretch N Grow** – Physical Fitness Class - Tuesdays/Thursdays

(\$98.00 for the semester Sept.- Dec.) Make checks payable to The Schoolhouse.

**Computer** – Wednesdays (\$130.00 for the semester Sept.- Dec).

All classes must be paid for in advance. If you are interested, please make check payable to The Schoolhouse and turn it in at the front desk.

**Music** – Mondays/Fridays (\$96.00 for semester Sept.- Dec.) Classes are filling up!

There are only two classes on each day. Make checks payable to Dr. Holly Hughes

**Students who participate in any of these programs (Stretch N Grow/Computer/Music) will be required to stay for Extended Care on day of the program.** This allows us to get a count for who will be attending the programs, as well as manage our group activities more efficiently. All children will be finished with these additional programs by 2:30 pm but are welcome to stay later if you choose. You are always welcome to call to see if your child has finished his or her lesson. Times may vary depending upon class size.

**Fall Enrollment & Referral Program** – Classes are filling up! If you know of someone who is PreSchool or Kindergarten age and looking for an educational program, send them our way with your referral card and get \$100 tuition credit for the month of October. PreK Classes are full.

**Box Tops-** Save your Box Tops and Campbell Soup Labels. We encourage all our families to keep collecting. You may send box tops and labels in a baggie and place in your child's folder when school starts. These help us with providing new items for our classrooms.

**All documents necessary to complete your child's records, such as birth certificate, updated shot records and parent handbook acknowledgement forms, maybe handed in to the front desk.**
