

The Schoolhouse News

Parent Newsletter - September 2018

Dear Parents,

We are so excited to begin a new school year. We feel honored that you have chosen The Schoolhouse as a starting place in your child's education. There are many new and exciting activities that are being planned this school year. As always we want to keep you aware of upcoming information.

Please take advantage of our free Vision and Hearing screening for ages 4 & 5 year old students. The law requires us to have documentation for every 4 thru 6 year old that a vision and hearing screening was completed. **Screening will take place at The Schoolhouse on September 19th.** If you have had these screenings completed by a pediatrician, please send us a copy of the results for our files; otherwise, we urge you to have screenings done here. The Parker County Hospital District Outreach Program will be providing us with this service free of charge. A copy of the results will be sent home in your child's folder. Please contact your teacher, or the front desk, if you have not received a permission form.

School pictures are to be taken in Schoolhouse uniform, either on Tuesday, September 25th or Friday, September 28th depending on your class day. For those participating, please fill out your picture envelope and send it back as soon as possible. Money is due with the envelope.

PARKING - Please keep driveway clear at back of building for teacher parking.

TUITION - Tuition is due the 1st day of the month. Please write your child's name in the memo section of your check. A late fee of \$25.00 will be applied after the 10th.

Fall Enrollment & Referral Program – Classes are filling up! If you know of someone who is PreK or Kindergarten age and looking for an educational program, send them our way with your referral card and get \$100 tuition credit for the month of October. Preschool Classes are full.

Box Tops- Save your Box Tops and Campbell Soup Labels. We encourage all our families to keep collecting. You may send box tops and labels in a baggie and place in your child's folder when school starts. These help us with providing new items for our classrooms.

All documents necessary to complete your child's records, such as birth certificate, updated shot records and parent handbook acknowledgement forms, maybe handed in to the front desk.
